# Why We Are Here

The Stonebridge Ranch Ladies Association, through its special events and fundraising efforts is dedicated to supporting the children and families of the community.

SRLA runs annual events to raise funds for many different community outreach projects. Every year we organize a spring and a fall yard sale, which provides scholarships for Collin county students. We also organize a fashion show which provides funding for Hope's Door, Collin County's only battered women and children's shelter.

SRLA has been honored by Hope's Door as Volunteer Organization of the Year and also Civic Group of the Year because of their outstanding commitment to raising funds for this shelter.

Our assistance programs have helped various McKinney families in need as well as a variety of organizations who assist those in need. Some of our causes include collecting food for the food pantry, collecting change for the Clothe A Child program, providing holiday food baskets, participating in the Angel Tree program and individual assistance needs such as paying lapsed insurance premiums, helping a family whose home was destroyed by fire and providing funds for utility bills.

In addition to our fundraising efforts, we have monthly meetings that provide our members and guests with a stress-free social environment for networking and meeting your neighbors.

As a member of SRLA, you will be able to take part in many of the worthwhile events and programs that we offer. If you are interested in making a difference in your community, become a part of SRLA today!
